

Karolina Masiewicz

— ui/ux designer

user experience · user interface

karolinamasiewicz.com

I would like to cooperate with many design sections, to learn techniques unknown to me and to constantly improve the acquired skills. I create graphic forms into a digital product, intuitive for the user. I am open to new methods, modern technology and different styles to keep developing.

Education

2015 - 2017 — ACADEMY OF FINE ARTS · Wrocław
